1. There are 1,500 kg of wool processed daily by the "Libertatea" Textile Factory, Sibiu.
2. Deliveries to the Soviet Union without being paid for total 70 percent of the production (probably on reparation account). The remaining 30 percent is sold on the domestic market. The inland sale prices are therefore pegged sufficiently high to also cover the costs of the deliveries to the Soviet Union. One meter of wool cloth totaling 600 lei production cost is sold on the domestic market for 4,000 lei. The plant buys the wool from the wool producers (peasants) who must deliver their products at the prescribed price of 50 lei per kg.
